The form for termly payment is overleaf. Over **90%** of our class members opt for termly payment and as a result gain benefits from regular class attendance. In addition, many of our classes are full or near capacity; please continue to pay for the term in order to secure your place at your chosen class or classes. Thank you.

Please note that the document is four pages in total. The booking form is on **pages 3 and 4**. Depending on the class, you'll save between **20% and 38%** per term compared with the 'Pay As You Go' rate.

### Weekly Fees:

|           |                     |                             |
|-----------|---------------------|-----------------------------|
| Adults:   | Running:            | £6.50 per adult, per class  |
|           | Hall based classes: | £7.50 per adult, per class* |
| Students: |                     | £4 per class                |
